Hon. P.C. Pant, J.

Heard Mr. Lalit Singh Samant, learned counsel for the petitioner and Mr. A.N. Sharma, learned counsel for the respondents.

The impugned transfer order dated 04.09.2004 whereby the petitioner was transferred from Ranikhet to Rudrapur has been passed on administrative ground as is clear from the Annexure- 6 to the writ petition.

Leaned counsel for the petitioner submitted that he has been transferred frequently in quick succession. I see no force in the contention for the reason that the transfer from Rudrapur to Ranikhet was on the request of the petitioner himself as such the respondents cannot be said to be liable for said transfer. There appears no malafide in the impugned order.

The petition is dismissed in limine with the observation that the petitioner may make representation before the authorities concerned for his grievance.
